

## Mission Statement - Connect kids with Gods Love through Motocross

### Annual Motocross Camps and Trackside Ministries

---

Roy & Patti Craig - 293 Main St. Joliett, PA 17981 (570) 695 - 2358

#### **Introduction**

Motocross For Christ camps are designed to allow all children the opportunity to work with motocross trainers and to learn the love of Christ. Camps are free to campers and all monies are raised through fundraisers and by donations.

Our mission is to “Connect Kids With God’s Love Through Motocross”

Camps have been held in Pennsylvania for the past four years. The camps run for 3 days, and we hold the camps at tracks that are willing to donate their facilities for camp usage. The camps are run completely with volunteers.

The camp is designed to support 40 riders ranging in age from 6 through 18 years. The teams are created by the rider’s skill level and many do not know how to ride when they first come to camp.

The children are fed three meals a day with nightly snacks and camps include many daily activities. The camp is organized to include the following activities:

- Faith Based Learning
- Exercise
- Creative Learning
- Nightly Activities
- Motocross Training and Riding
- Bike and Safety Maintenance

In addition Motocross For Christ began trackside ministries in 2010 and hopes to expand those offerings for 2011 and beyond.

#### **Goals**

Motocross For Christ hopes to offer a minimum of two camps in 2011, one in WV and one in PA, more if finances allow.

In addition we currently offer trackside ministries at many MAMA events and hope to expand that to include District 6 and MDRA events as well in the future.

#### **How You Can Help**

Motocross For Christ camps run purely on fundraisers and donations. We formed a 501c3 non profit group in 2010 with the hopes of raising much needed funding from companies like yours. We ask if you could make a tax deductible donation to help us help others to please send any amount to the address above. If a monetary donation is beyond your means we do need products and services to help run our camps and volunteers are always needed.

In addition if you know of any other individuals or businesses that can help our cause please feel free to pass our info along.

With Gods Blessings
